MYSORE STATE ELECTRICITY BOARD.

OFFICE OF THE SUPERINTENDING ENGINEER, ELECTRICAL, M.G.H.E. WORKS, JOG.

Notification dated 27th May 1959.

Sealed tenders in duplicate will be received by the Superintending Engineer, Electrical, M.G.H.E. Works, Jog Falls, up to 4 P.M. on 24th June 1959 for the following work.—

	Cost of Estimate Rs.	E.M.D. Rs.
Estimate for protective works to the mound to left of P.T.T. between chainages 800 to 1050 at Jog.	43,000	1,250

2 Tenders should be addressed to the Superintending Engineer, Electrical, M.G.H.E. Works, Jog, and superscribed as "Protective Works to the left of Trolley track at Jog".

3 Tender forms with abstract quantities are obtainable from the office of the Superintending Engineer, Electrical, M.G.H.E. Works, Jog, on payment of 25 nP. per set.

4 Each tenderer must deposit the earnest money noted for each work. The earnest money has to be paid in cash at this office or any power and light office of this department and receipt enclosed to the tender. In case of tender deposit of over Rs. 1,000 Government Promissory notes of the Government of Mysore or of Dominion of India at their face or present value or Savings Bank deposits in the Mysore Government Treasury duly pledged in favour of the Superintending Engineer, Electrical, M. G.H.E. Works, Jog Falls, will be accepted by the Superintending Engineer, Electrical, Jog, at his discretion.

5 No tender will be received without deposit and no adjustment can be made from the pending bills or the deposit of other works towards the tender deposit of this work.

6 Only labour charges for each item as per unit fixed should be quoted. Such rate should include quarrying stones, conveying to site, dressing the stones and scaffolding, etc., cement and sand will be supplied by Board without recovery of cost.

7 Plans and estimates for the work will be available in the office of the Superintending Engineer, Electrical, for information on all working days between working hours.

8 Final acceptance of the tender will rest with the Chief Engineer, Electricity, Mysore State Electricity Board, Bangalore. The successful Contractor should bind himself to the Board Rules and execute necessary agreement before starting the works.

9 The work should be completed in all respects to the complete satisfaction of the Departmental officers by the end of June 1960.

10 The name of successful contractor will be intimated immediately on acceptance of the tender.

11 Cement and sand will be made available at the trolley house and nearest sand chute respectively.

12 The Superintending Engineer, Electrical, Jog, reserves the right of giving the work to one or more of the tenderers and not necessarily to the lowest tender.

13 Water supply arrangements will be made by the Board and watering masonry or concrete will be done by the Board agency.

14 Adequate arrangements for proper scaffolding in the step slope on the lines of instructions of the Supervising Officers should be made by the contractor at his own cost. No scaffolding materials will be supplied by the Board. The scaffolding will have to be dismantled and the site cleared when the work is completed.

15 Damages caused to Trolley track or to any other property either during the conveyance of materials or construction of masonry, etc., will have to be made good by the contractor.

16 Quantities of each item of work as notified are only approximate and subject to alterations during execution. The rate quoted by the Contractor should hold good for any quantity. Besides change of specifications due to exigencies will not under any circumstances entitle the Contractor to claim rates higher than those already tendered and accepted. In the case of non tendered items the contractor will be paid all the current schedule of rates or at the rates fixed on the basis of data and approved by the competent authority.

17 No claim shall be established for the delay caused by the Board due to unforeseen causes during execution of work. However extension of contract period will be considered on the merits of each case.

18 On acceptance of one of the tenders, the earnest money on rejected tenders will be refunded either in this office or through the Assistant Engineer or any Power and Light Office of this Department on the tenderer submitting refund bill surrendering the original receipt granted.

19 Contractor himself should pay royalties, tools, sales-tax and any other tax that may be prescribed by the Board from time to time.

20 The Contractor is bound by the conditions of the Schedule of contract of the Electricity Board.

21 Payment of intermediate bills will now be made by the Chief Accounts Officer, Bangalore, with post audit and payments of final bills only subject to pre audit.

22 Contractors have to pay compensation, etc., as per workmen's compensation act to the disabled workers under them for injury or death caused during execution of works, failing which the amount will be deducted from their bills and paid to the injured or to their legal heirs.

23 There should not be any alterations or erasures in the tender in the rates of items and any corrections in the forms should be attested and the number of corrections, if any, in each page noted at the foot of the tender by the tenderer.

24 No conditional clause on the tenders will be accepted.

U. P. NAYAK,
Suptdg. Engr.
